### **Potential divestment of farming asset**

ASTARTA HOLDING PLC (hereinafter “Astarta” or the “Company”), Ukrainian agro-industrial holding, announces an intention to divest its farming entity LLC “CHERNIHIV EKO PLUS” (hereinafter the “Divestment Asset”), comprising 4kha of farmland with related farming infrastructure. This decision aligns with the Company's strategic review of its agricultural portfolio, aiming to optimize the land bank by focusing on regions with higher agronomic efficiency and yield potential.

The potential buyer has received clearance by the Antimonopoly Committee of Ukraine (“AMCU”) to acquire control over the Divestment Asset. The submission to the AMCU was a procedural step enabling the parties to continue evaluating the feasibility of the transaction. At the date of this report, no definitive agreement has been concluded.

The Company will provide further updates in accordance with its disclosure obligations under MAR and the Polish Act on Public Offering.
