- 4) removing editorial units the content of which had been removed during previous amendments to the Statutes.

§ 3

The resolution comes into force upon its adoption, with legal effect from the date of entry of the amendments into the register of entrepreneurs of the National Court Register.

Justification

The proposed amendments to the Statutes of KGHM Polska Miedź Spółka Akcyjna with its registered head office in Lubin (hereinafter: the "Statutes") as an internal document governing the Company's activities involves the preparation of a new list of the Company's business activities.

The Company's business activities, as defined in the amended Statutes, have been aligned with the Polish Classification of Activities (PKD) implemented by the *Decree of the Council of Ministers of 18 December 2024 on the Polish Classification of Activities (PKD)* (hereinafter: the "Decree").

The proposal to regulate the subject of the Company's activities was prepared based on the transition (connection) keys PKD 2007 – PKD 2025, which are an appendix to the aforementioned Decree.

The current PKD classification set out in the Statutes may be applied until 31 December 2026; after that date, the business activities should be aligned with the PKD standard specified in the aforementioned Decree.

The order of business activities have been arranged according to the numbers of individual PKD codes; with the PKD code of the Company's principal activity, consistent with the entry in the National Court Register, being presented first, and the remaining PKD codes entered in the National Court Register were indicated in places 2-9.

The presented proposal also includes amendments to § 20 sec. 1 point 9 and § 33¹ sec. 3 point 4 of the Statutes, which are an editorial and organisational nature, intended to organise references to the relevant editorial units of the Statute.
