Dear Ladies and Gentlemen,

The application has been filed in connection with the procedure, announced on 28 October 2026, for the admission of all 520,940,000 (five hundred and twenty million nine hundred and forty thousand) shares of the Company to trading on the regulated market of the Frankfurt Stock Exchange (FSE), Prime Standard sub-segment. The EuroBridge Market Segment was established by BSE in cooperation with Deutsche Börse AG and enables simultaneous trading of the shares on BSE and on the Frankfurt Stock Exchange.

The specific date of transfer of the issue to the EuroBridge Market Segment will be determined by a decision of the BSE Board of Directors and depends on the date on which the shares are introduced to trading on the Frankfurt Stock Exchange. Until the transfer date, the Company's shares continue to be traded on the Premium Shares Segment of the BSE Main Market, as well as on the Main Market of the Warsaw Stock Exchange.

The Company will inform investors and the public of all subsequent stages of the procedure.

29 October 2026

Yours faithfully,
